Work Experience

July,2024-Till date

Urban Development Consultant, DESIGN DESK
Consultancy Services, DHA 2 Islamabad.

(Private Sector)

Aug 2021- Jul 2024	General Manager Town Planning FDH: HABIB RAFIQ PVT. LTD CSC Design Office, Chakri Road, Rawalpindi, Pakistan As the Head of Town Planning Team for Capital Smart City, Islamabad, I orchestrated the execution of the Master Town planning across an area of approximately one lakh Kanal. I successfully coordinated with international consultants, addressing challenges and ensuring the seamless implementation of the Master Plan to achieve the envisioned urban development objectives.
2016 – 2017	Approved Urban Planning Consultant Asian Development Bank (ADB) Lahore, Pakistan Actively participated in the ADB project of Intermediate Cities Improvement Investment Project (PICIIP) focused on infrastructure development and improvement of public spaces in Sialkot and Sahiwal.
1994 – Aug 2021	Principal Town Planner DESIGN DESK Rawalpindi, Pakistan I worked as Urban Planning consultant in addition to Public Sector Work, specializing in the planning, design, and successful execution of housing projects across diverse locations including Rawalpindi, Islamabad, Murree, Peshawar, Rawalakot District (AJ&K), and International Work Experience of Dubai, United Arab Emirates.

Work
Experience
(Public Sector)

2006 – 2019	Deputy Director General Town Planning ML&C Dept. Ministry of Defense Rawalpindi, Pakistan Served as the Team Head of Town Planning in the ML&C
-------------	---

		<p>Department, where I provided technical advisory to the DG ML&C on Town Planning issues concerning Army, Navy, and Airforce areas, as well as Housing Development for Cantt Boards across Pakistan. I adeptly managed tasks such as Layout Design preparation, technical scrutiny, and Development of Housing and land use Standards for diverse residential, commercial, and administrative projects nationwide. Additionally, I actively contributed as a technical member of the private housing scheme approval from Cantt Boards all over Pakistan.</p>
	<p>2000 – 2006</p>	<p>Principal Town Planner, Directorate of Design & Consultancy, Engineer in Chief's Branch, G.H.Q,</p> <p>Rawalpindi, Pakistan</p> <p>Worked as Team Head of Town Planners within the Design Directorate, Engineer in Chief's Branch, G.H.Q. My major responsibilities included the preparation of comprehensive Master Plans and Layout Plans for various Army, Navy, and Air Force projects spanning across Pakistan. I conducted in-depth analysis of topographical surveys, collaborated closely with other development agencies, and finalized user requirements. Scrutinizing and vetting layout designs from multiple consultants was also part of my purview. Furthermore, I presented Master Plans and layout designs for residential, educational, training, and operational areas to higher authorities.</p>
	<p>1991 – 2000</p>	<p>Senior Town Planner Directorate of Design & Consultancy, Engineer in Chief's Branch, G.H.Q</p> <p>Rawalpindi, Pakistan</p> <p>Conducted site visits to diverse project sites all over Pakistan, performing meticulous ground verification of topographical surveys. Collaboratively collecting and analyzing comprehensive user requirements, generated and deliberated on various design alternatives. Additionally, I fostered crucial liaisons with city development agencies, formulating modalities and development design guidelines. My role extended to crafting layout design choices for residential, commercial, and educational facilities across Pakistan.</p>
<p>Work Experience (Public Sector)</p>	<p>1989 – 1990</p>	<p>Master's Program of Urban Planning Asian Institute of Technology (A.I.T),</p> <p>Bangkok, Thailand</p> <p>Successful Completion of Master's Degree in Urban Planning and Human Settlement Program with outstanding thesis grade.</p>
	<p>1986 - 1989</p>	<p>Senior Town Planner, Directorate of Design and consultancy, Engineer in Chief's Branch, G.H.Q</p> <p>Rawalpindi, Pakistan</p> <p>Led the Master Planning initiatives for Army Cantt's, encompassing the development of strategic Defense Housing Schemes and Layout Plans for a spectrum of</p>

projects spanning different parts of the country.

1983 - 1986

**Assistant Director Town Planner
Faisalabad Development Authority**

Faisalabad, Pakistan

Meticulously compiled the Regional Planning Directory as an integral component of the Structure Plan for Faisalabad city. Additionally, I assumed the role of Assistant Director for Building Control, overseeing the enforcement of Building Control regulations and contributing to the development of Faisalabad Authority projects within the city.
